ACM & Beloit College
Partners in higher education since 1958.

WHY ACM?

Beloit College is one of 14 schools that form the Associated Colleges of the Midwest (ACM). ACM programs can offer you several advantages:

- A campus faculty advisor for every ACM program.
- An academic curriculum grounded in the liberal arts and sciences.
- Programs that are small in size, with other students from similar colleges.
- Course credits which should easily transfer to your college.
- Ease in the use of Financial Aid, with no ACM program application fee.
- A long history of students from your college attending ACM programs.

CAMPUS APPLICATION PROCEDURES

- Attend an information session in the Office of International Education (OIE) to learn about study abroad options, eligibility requirements for programs that interest you, and recommendations for a well thought out application. Follow up the session with some research and discussion with your academic advisor.
- Initiate an electronic off-campus study profile by going to the OIE website.
- Request an appointment to see an OIE advisor either through the profile page or by contacting Kathy Landon in OIE, 717 Chapin Street, oie@beloit.edu, tel. x. 2269.
- When you have decided on a program that is right for you, complete an online application through your off-campus study profile.
