

Off-Campus Study Quick Facts

ACM & Colorado College
Partners in higher education since 1969.

WHY ACM?

Colorado College is one of 14 schools that form the Associated Colleges of the Midwest (ACM). ACM programs can offer you several advantages:

- A campus faculty advisor for every ACM program.
- An academic curriculum grounded in the liberal arts and sciences.
- Programs that are small in size, with other students from similar colleges.
- Course credits which should easily transfer to your college.
- Ease in the use of Financial Aid, with no ACM program application fee.
- A long history of students from your college attending ACM programs.

CAMPUS APPLICATION PROCEDURES

- Meet with the faculty advisor for the program you are interested in to learn more about how it can fit in your academic plan. You are also welcome to make an appointment with Heather Browne, the Coordinator of Off-Campus Study (Worner #232).
- Meet with your academic advisor to discuss how your off-campus study will fit in with your academic program and path.
- Submit the Colorado College application for approval to study off-campus, which can be found on the CC International website, or picked up outside Worner #232. This is due, in addition to the ACM Program application, by posted deadlines.

CAMPUS DEADLINES

- **Spring programs:** Application window opens August 1, closes **October 1** (or when full).
- **Fall programs:** Application window opens January 1, closes **March 1** (or when full).

Note: If applying for a competitive program or scholarship which requires CC approval prior to the application window opening for your desired semester, please speak to Heather Browne in the Office of Off-Campus Study ASAP.
