

MISSION

The Associated Colleges of the Midwest enriches residential liberal arts education and strengthens members through collaboration.

GUIDING PRINCIPLES

The consortium's initiatives and programs will:

- 1 Encourage excellence in teaching and learning
- 2 Promote equity and inclusion and celebrate individual and collective diversity
- 3 Strengthen the connection between inquiry and practice
- 4 Amplify the expertise of faculty, students, and staff
- 5 Cultivate an open environment for innovation and exchange

PLACE

Leverage the Greater Midwest through place-based interdisciplinary programs

PATHWAYS

Create opportunities for the exploration of career and education pathways for faculty, students, and staff

PROFESSIONAL DEVELOPMENT

Promote excellence and diversity through leadership and professional development initiatives

PLATFORM

Provide a platform for the exchange of information, resources, and insights to drive innovation across the consortium
