## Athletics at ACM Colleges

The ACM colleges offer a variety of sports for women and men. Intercollegiate athletics at ACM colleges are on the NCAA Division III level,* so there are no athletic scholarships. The competition is at a high level, and the colleges provide excellent facilities for their student-athletes. Information listed below is for varsity sports in 2015-16. Conference affiliations are noted. Track & Field includes both indoor and outdoor seasons.

* The only exceptions are the men’s ice hockey and women’s soccer teams at Colorado College, which compete in NCAA Division I. All other sports at Colorado College, and all sports at the rest of the ACM colleges, are in Division III.
