Resources for Information about Financial Aid

**www.studentaid.ed.gov** – Information from the U.S. Department of Education on preparing for and funding education beyond high school. This website has links to the [FAFSA](https://www.fafsa.gov) (Free Application for Federal Student Aid) and the [FAFSA4caster](https://www2.ed.gov/fafsa4caster), which can provide an early estimate of your eligibility for federal student aid.

**www.finaid.org** – A comprehensive website about financial aid.

**ACM college websites**

The financial aid webpage for each ACM college provides step-by-step instructions for you to apply for financial aid at that college, including the forms and deadlines. They also have information about scholarships and Net Price Calculators (that is, financial aid estimators) to help you learn about how much it might cost for you to attend the college.
