WHY ACM?
Coe College is one of 14 schools that form the Associated Colleges of the Midwest (ACM). ACM programs can offer you several advantages:

• A campus faculty advisor for every ACM program.
• An academic curriculum grounded in the liberal arts and sciences.
• Programs that are small in size, with other students from similar colleges.
• Course credits which should easily transfer to your college.
• Ease in the use of Financial Aid, with no ACM program application fee.
• A long history of students from your college attending ACM programs.
