WHY ACM?
ACM offers academically strong and culturally immersive programs, which are grounded in the liberal arts and sciences, with several distinguishing features:
• Opportunities to pursue your individual interests through independent study projects, hands-on research, and internships
• Small program size, with close faculty mentoring and distinctive opportunities
• Place-based learning that encourages community and cultural engagement
• A long history of students from your college participating in ACM programs, with academic credits that transfer and ease in the use of Financial Aid

CAMPUS APPLICATION PROCEDURES
• Students must apply directly to ACM by its application deadlines.
• Students must also complete the online application for approval of a non-Carleton program at www.carleton.edu/ocs by the deadlines listed below.
