WHY ACM?
ACM offers academically strong and culturally immersive programs, which are grounded in the liberal arts and sciences, with several distinguishing features:

• Opportunities to pursue your individual interests through independent study projects, hands-on research, and internships
• Small program size, with close faculty mentoring and distinctive opportunities
• Place-based learning that encourages community and cultural engagement
• A long history of students from your college participating in ACM programs, with academic credits that transfer and ease in the use of Financial Aid

CAMPUS APPLICATION PROCEDURES
Information on the advising and the application process can be found on the Center for Study Away website: www.macalester.edu/studyaway.
