- **YH World/Poached Creative**
  - YH World is an online magazine for young Londoners, letting young people know about free events, workshops, training and places to volunteer in different parts of London.
  - Aimed to help young people fill their time, or even shape their life, with info about music and theatre events, dance, apprenticeships and lots more.
  - Provided information about events to go to with friends, and artistic and educational things to explore photography.
